## SilentCOMFORT™

**REDUCES  
BACTERIA  
& GERMS\*!**

## True HEPA Air Purifier

### enviracaire®

Breakthrough Technology for Cleaner Air

#### Features:

**Permanent Honeywell True HEPA filter**  
is certified 99.97% effective at capturing mold spores, pollen, dust, smoke and cat dander\*

#### Germ Reduction

Captures up to 100% of airborne germs and bacteria\*\*

#### LifeTime HEPA™ Permanent Filter

Same filter design with a new weave that allows for a protective barrier and vacuum-ability

#### Superior Performance

- SilentComfort™ Technology for ultra quiet operation
- Changes room air up to 5 times an hour\*\*
- 3 air cleaning settings
- Patented HEPA SurroundSeal™ maximizes efficiency

#### Low Maintenance

- Simply vacuum twice a year
- Intelli-Check™ Filter Clean Indicator

Effectively & quietly cleans the air without a cool exhaust draft
